

# Should Your Trees Be Worried?

*What is the future of forests?  
Is burning wood good or bad?  
Will our children have forests?  
Will climate change kill our forests?  
What good are forests, anyway?  
How can I get the most from my woodlands?*

Join us for a  
provocative  
evening of many  
questions and  
some answers.

Cut  
All  
Trees

**WOODLOT**  
ASSOCIATION

## Forests in the 21<sup>st</sup> Century

We will present ideas for a workshop series and ask what is most helpful to you.

**Wednesday, February 22 at 7:00 PM**

Trinity United Church Hall, 2170 Unity Rd., **Elginburg** (N. of Kingston)

All are welcome, especially if you live near a tree.  
A \$5 donation from non OWA members is appreciated.
